# STUDENT SERVICES SCHOOL MISSION STATEMENT

## Mission

To service all students by connecting and forming meaningful relationships with students and families and by providing a comprehensive academic, personal/social, and career program to promote student achievement.

## CONFIDENTIALITY

All information shared with a school counselor, school social worker, or school psychologist remains confidential unless it involves:

- A plan to harm self or others
- Abuse or neglect
- A student under the age of 16 who is sexually active

In these situations, we are required by law to report this information to parents and/or the appropriate agencies
