

Our Mission

The mission of the West Allis - West Milwaukee School District Education Foundation, in partnership with the community, is to enrich educational opportunities beyond the support of public revenues that empower our students to achieve excellence.

The foundation supports innovative programs and initiatives that support student learning. Donations from supporters are an investment in the students of the West Allis - West Milwaukee School District. Your tax-deductible gift can help ensure that our students continue to receive the highest quality education possible.

The Foundation accepts gifts of cash, securities, bequests and in-kind contributions. Unrestricted donations will support the areas of greatest need. Gifts can also be directed to a specific area of interest.

West Allis/West Milwaukee School District
Education Foundation

The West Allis - West Milwaukee School District Education Foundation raises funds that enhance public revenues to provide educational and enrichment opportunities for students.

Current budget restrictions challenge our ability to provide the full range of educational and enrichment opportunities that our community has been accustomed to. Private support is a complementary strategy that can finance innovative programs, new technology and equipment needs to enhance student learning.

Funds raised will directly impact students through grants to classroom teachers and other funded projects that help support initiatives that further the mission and educational goals of the School District.

Examples of what donations support:

- ◆ Technology
- ◆ Fine & Allied Arts
- ◆ Enrichment Activities
- ◆ Extended Learning Opportunities
- ◆ Special Projects, Program Enhancements & District Initiatives
