HANDBOOK/GUIDE

ARRIVAL

Arrival in the morning should be after 7:15 a.m. and before 7:35 a.m. There is no supervision on the playground prior to 7:15. The first bell rings at 7:35 a.m. for entrance into the school. The tardy bell is at 7:45 a.m. Students that arrive after 7:45 a.m. must enter thru the office doors and report to the office to receive an admittance slip to the classroom. ***Unexcused tardies are considered truancies.***

ATTENDANCE/TARDY TRUANCY RULES AND PENALTIES

Please report all absences to our attendance line at 604-4200. Parents are expected to report a student's absence by 8:00 a.m. on the day of the absence. You can access the attendance line 24 hours a day, seven days a week. Students may not call in the absence for themselves or brothers/sisters.

Parents are contacted at home or work by the school office if the parent has not called to report the absence to the school. ***Please make sure that home phone numbers and work numbers are kept current.***

Any absence not reported by note or phone call within 24 hours of a student's return to school will be recorded as unexcused.

If requested by school personnel, parents of students absent from school for any reason shall submit in written form, documentation for their child's absences, the specific days or times they were absent, verification of doctor/dental/court appointments, and signature of the parent/guardian.

Habitual Truants

A "habitual truant" is a pupil who is absent from school without an acceptable excuse for either of the following: Part or all of five or more days on which school is held during a school semester.

This applies to all children under the age of 18. Children can no longer be released from compulsory school attendance prior to age 18.

Parent/Guardian Responsibilities

Under Wisconsin Statute 118.15, any person having control of a child between the ages of 6 and 18 shall see to it that the child attends school regularly until the end of the school term of the school year in which the child becomes 18.

Penalties

According to 118.15 (5) of Wisconsin Statutes, a parent or guardian of a child may be held responsible for the child's non-attendance, and if convicted, he/she may be fined not more than \$500 or jailed for 30 days, or both, and/or revocation of vehicle registration.

Ordinance 6.06 of the Revised Municipal Code of the city of West Allis makes it unlawful for any pupil to be truant from any school in the West Allis-West Milwaukee School District. If a parent knowingly allows their child to be truant from school, the parent can be issued a citation.

Parent and Student Rights

Parents have the right to receive written notice of their child's non-attendance from school. Parents and students have the right to attend a meeting with school officials to discuss the child's truancy.

Parents and student may request a number of program or curriculum modifications to attempt to improve regular school attendance.

ATTIRE

Students are expected to come to school clean and neat. Personal appearance can have a positive effect on children. Examples of dress which are inconsistent with educational goals include halters, short shorts, T-shirts with obscene/inappropriate expressions, pajamas, lounge pants & slippers. No bra straps showing, no spaghetti strap tank tops. Due to the changing Wisconsin weather conditions and strong winds, it is suggested that layered clothing be considered when weather is questionable. We appreciate your help in making sure your child is dressed appropriately each day.

BEHAVIOR EXPECTATIONS In this building we:

- Are on time and ready to learn every day
- Follow all expectations stated in the Students Rights & Responsibilities Handbook
- Treat everyone with respect and dignity
- Do as we are asked by teachers and staff and follow posted rules
- Walk in the halls and keep our hands to ourselves
- Care for one another and report unsafe behaviors

An orderly, purposeful, cooperative school climate is essential for learning. The faculty works together to provide positive, self-directive student discipline. An atmosphere respecting each child’s right to learn will be maintained. **If a child’s behavior trespasses upon the safety/rights of others or disrupts the learning environment, appropriate disciplinary action will be taken.** Parents, please be sure to review the Student Rights and Responsibilities booklet carefully with your child(ren) sign page 23 and return it to school no later than Friday, September 17, 2010.

INCLEMENT WEATHER Students will be allowed in the building at 7:15 a.m. and will have indoor recess in the event of inclement weather. Inclement weather situations are rain, when the temperature is below ten degrees Fahrenheit or the wind chill is ten degrees below zero. Signs will be placed in the entrance door windows indicating that students may enter the building and report to the auditorium.

As residents of Wisconsin, we all recognize the need to make special preparations for the safety and welfare of students in the event severe weather conditions develop. School personnel will attempt to take every precaution in planning for the well being of your children.

In planning for unusual weather conditions, your assistance will be appreciated. When it appears that severe weather conditions are developing, please:

Listen to area radio and TV stations for early announcements regarding the possible closings of schools. The announcements will be made periodically starting about 6:00 a.m. over the following local radio/TV stations:

WTMJ AM	620	WKTI FM	94.5	CBS-58
WOKY AM	920	WMIL FM	106.1	TMJ4
WEMP AM	1250	WLTQ FM	97.3	FOX SIX
WXSS FM	103.7	WMYX FM	99.1	WISN-TV 12
				W.A. CABLEVISION

Make arrangements as to where your children should report if you would not be home in the event that classes are dismissed early. A decision to dismiss early will only be made on those rare occasions when dismissing at the regular time will result in our inability to get large groups of students home safely. In such instances, radio stations will be asked to make early announcements of the time of dismissal.

On those few winter days when a decision is made to conduct classes as usual but as a parent or guardian you believe it is in the best interest and safety of your child to remain at home, we encourage you to make that personal decision. You know your child and your situation better than we do and should act accordingly. Please report the absence by 8:00 a.m.

The intent of the District is to offer a regular program of classes on every school day. On those few days when this is not possible, your planning, cooperation, and patience will be greatly appreciated.

Parents are reminded that the School District has specific policies regarding school personnel administering medications during the school day. They are as follows:

1. For all prescription medications, a permission form signed by **BOTH** the parent and the child's doctor must be placed on file in the school office. Without this form, it will be necessary for the parent to come to school and administer the medication. Forms are available in the school office.
2. For all Non-Prescription medications, the same permission form must be signed by the parent and placed on file in the school office.

In both cases, this form should include all necessary information for properly administering the medication, including dosage, duration and time of administration. Forms must be filled out annually.

Also, there is an asthma care plan form that must be completed for any student who suffers from asthma yearly.

NCLB (No Child Left Behind Act)

The elementary and secondary education act, also known as "No Child Left Behind" is legislation ensuring all students are meeting learning expectations before being promoted. Our district is required to test children in the areas of reading and math at grades 3, 4, 5, 6, 7, 8 and 10. In addition, children in grades 4, 8 and 10 are also assessed in science, social studies, language arts and writing. Students are tested to see if they have met proficient levels of understanding. Each year the number of students required to be proficient is raised. The goal is that by the 2013-2014 school year 100% of students will be proficient in reading and math.

Our school sets goals and plans learning activities to meet these goals each year. Our teachers plan learning activities each week to meet the needs of all our learners. Regular education, special education, Title reading, transition and ESL teachers all meet each week to design lessons. Students are assessed on a regular basis to measure their growth toward mastering district standards and benchmarks. Our report cards assess students' movement toward proficiency of standards. Students are given a ranking of minimal, basic, proficient or advanced based on their knowledge, understanding and application of learning. In addition, progress reports are mailed to students not making adequate progress five weeks into each grading period.

PLAYGROUND PROCEDURES

Students should not be on the playground prior to 7:15 a.m. there is no supervision prior to 7:15 a.m. All school rules apply.

QUESTIONS, CONCERNS ~ PROBLEM SOLVING PROCESS

The development of lifetime communication skills and honesty, integrity, respect, dedication, commitment, and loyalty are all important qualities for students to learn. One of the most important lifetime skills that can be developed through participation is problem solving. Students should learn to embrace it as an educational opportunity. Although these skills are best developed in the home, Lincoln Intermediate Schools feels an obligation to reinforce their development. The following steps should be the order presented when trying to resolve a problem.

1. The student should speak with their parent/guardian regarding the problem. Discussion should focus on ways to resolve the problem. If the problem is not resolved at this step, proceed to step #2.
2. The student should talk with the classroom teacher involved to resolve the problem. If the problem is not resolved, proceed to step #3.
3. The parent should contact the classroom teacher to arrange a parent, teacher, student conference. If the problem is not resolved, proceed to step #4.
4. The parent should contact Kelly Hendzel, Pupil Services to arrange a teacher, parent, student, administrator conference. If the problem is not resolved, proceed to step #5.
5. The parent should contact the building principal to arrange for a conference regarding the matter.
