

# Irving Elementary School Song

IRVING IRVING

It's the place to be.

IRVING IRVING

Learning is the key that  
Opens up the world around us  
We begin to grow.

Everyone we meet in school is someone we can show (can show)  
We care and share.

Yes... We are the one and only

IRVING IRVING

Schools for you and me.

IRVING IRVING

Join our jamboree  
Education lasts a lifetime  
And it starts right here

We will carry memories that last throughout the years (the years)  
Some laughs, some tears.

Yes... We are the one and only

IRVING IRVING

IRVING SCHOOL is great!!
