March 2011

Dear Parents and Guardians,

In an effort to improve our current report card system we are seeking input from families, staff and community. Your participation in the attached survey will provide us with valuable information to improve our current reporting system and provide families with the information that will be most useful to understand student performance. Your input is very important.

The survey can be accessed directly from our district website at www.wawm.k12.wi.us or you may go directly to http://www.surveymonkey.com/s/WAWM_Report_Card_Survey to complete the survey. You may also complete the enclosed hard copy and return it to Christine Hoeffler at 1205 South 70th Street. We are asking for family names so that we can be assured that the survey is completed once. Thank you as we strive to better communicate a student's learning to parents.

Sincerely,

Chris Vento-Bente, Director of Instruction
Johnna Noll, Coordinator for Elementary Report Cards
