

POLICY IMPLEMENTATION

Policies adopted by the Board of Education and the administrative rules developed to implement policy shall be designed to promote an effective and efficient school system. Consequently, all District employees and students will carry out all Board policies and administrative rules.

Members of the administrative staff shall be responsible for informing students and staff of approved policies and rules and their revisions, and for seeing that they are implemented in a timely manner.

CROSS REF.: 151.2, Administration in Policy Absence
263.1, Development of Administrative Rules

APPROVED: June 11, 1996

REVISED: December 17, 2001
