

STUDENT RIGHTS AND RESPONSIBILITIES

Students shall be informed of and be responsible for conducting themselves in accordance with the established *Student Rights and Responsibilities Handbooks*. The goal of the handbook is to have all parents/guardians, students and staff work together in order to create a positive learning environment.

Separate handbooks shall be established for the elementary school level and for the intermediate and high school level. The handbooks shall be developed consistent with Board of Education policies and state and federal laws and regulations.
